## REACH NEW HEIGHTS IN THE HEART OF GOSFORTH

Regents Plaza is an iconic  
new development by  
Regents Gate Homes.

Situated in sought after Gosforth,  
the apartments are just steps away  
from the Regent Centre Metro  
Exchange and close to the  
heart of the High Street.  
This great location has pubs,  
leisure, gyms, entertainment,  
fine dining and café culture.  
The epitome of sophisticated living.

The 70 individual residences  
range in size from spacious  
one bedroom, two bedrooms  
/ two bathrooms and luxury three  
bedroom penthouses. All have been  
thoughtfully designed to maximise  
the panoramic views to the city and  
countryside and provide every  
comfort for life today.

Come join the community and reach  
new heights in the heart of Gosforth.

## REACH NEW HEIGHTS IN GOSFORTH

Gosforth living is something special. A sophisticated suburb, with fine dining, friendly pubs and cool cafes as well as gyms, sports clubs, supermarkets and quirky boutiques, it really has it all.

Getting out and about is a breeze too. Access to main transport links couldn't be easier.

The peace and quiet of the Northumberland countryside or the stunning beach and coast are easily accessible with Newcastle city centre just 10 minutes away.

Elegant Living

## Space, refined in a modern world

Each apartment at Regents Plaza has a designated parking space and bike rack. Communal areas are as well designed as the homes with stunning finishing.

Secure fob door entry allows residents into a lobby, post room and comfortable lounge area on the ground floor. Each residential floor is served by two lifts and your apartment has a cleverly defined front door complete with elegant designer details.

Living the high life

Designed, for living your best life

REGENTS  
PLAZA  
APARTMENTS

The collection of 70 apartments offer a great choice for every lifestyle. Rooms are flooded with light and finished to the highest specification. A Regents Plaza apartment has been designed for living in today.

- Sustainability is a watchword and low energy heating and lighting options have been considered.
- The latest fibre optic broadband and tv services come pre-installed with up to 1GB connection as standard in each apartment.
- The building specifications exceed all current safety standard requirements with a category 3 sprinkler system throughout.

# Creative & Cool

There are four very special apartments on the ground floor.

Each has been designed to have access from their own front door rather than through the main block and have a beautiful private garden area to take advantage of.

First and second floor apartments are light and spacious with panoramic views of the bustling neighbourhood.

From the third floor and above apartments at the front of the building come with their own private balcony and those at the rear enjoy a Juliette balcony.

Kitchens, bathrooms and en-suites are light and contemporary with timeless décor and elegant finishing.
